

Adult Safeguarding Policy & Procedure

Introduction

CHEXS is committed to ensuring that all employees, volunteers, trustees and all service users are safeguarded in line with the provisions of the Working Together 2014 of the Care Act 2014 and the Mental Capacity Act 2005 (PHSA 3.1, 3.7).

Adult Safeguarding means protecting an adult's right to live in safety, free from abuse and neglect. It is about people and organisations working together to prevent and stop both the risks and experience of abuse or neglect, while at the same time making sure that the adult's wellbeing is promoted including, where appropriate, having regard to their views, wishes, feelings and beliefs in deciding on any action.

It must be recognised that adults sometimes have complex interpersonal relationships and may be ambivalent, unclear or unrealistic about their personal circumstances. People have complex lives and being safe is only one of the things they want for themselves.

This policy should be read in conjunction with the Hertfordshire County Council Safeguarding Adults at risk Policy

1. Scope of the Policy and Procedure

The aim of this policy and procedure is to ensure-

- the safety of adults at risk by outlining clear procedures and
- that all staff, Trustees and volunteers within CHEXS are clear about their responsibilities and are trained adequately
- service plans consider the need to safeguard adults at risk

2. Definition of Adult at risk

An adult at risk is a person aged 18 or over; who

- has needs for care and support (whether or not the local authority is meeting any of those needs), and
- is experiencing, or is at risk of, abuse or neglect, and
- as a result of those needs is unable to protect himself or herself against the abuse or neglect or the risk of it.

This may include a person who:

- is an older person who is frail due to ill health, physical disability or cognitive impairment;
- has a learning disability;

- has a physical disability and/or a sensory impairment /or communication difficulty i.e. autism
- has mental health needs including dementia or a personality disorder;
- has a long-term illness/condition;
- misuses substances or alcohol;
- lacks capacity to make specific decisions to make particular decisions

Within the services provided by CHEXS, adults at risk could be present in any group or session, at any time so this safeguarding policy statement is applicable throughout all of CHEXS activities and provision. In the case of suspected abuse initially staff, trustees or volunteers should raise an alert and submit this to the named Safeguarding lead who will contact the Hertfordshire Adult Safeguarding, and other authorities as applicable.

What is abuse?

Abuse of an adult can take many forms. Abuse is a violation of an individual's human and civil rights by any other person or persons. It can take a variety of forms and can be both overt and covert. The following list is not exhaustive, but is illustrative of the kinds of abuse that might be experienced.

- Physical (including Female Genital Mutilation and Honour Based Violence)
- Domestic Abuse
- Psychological
- Sexual abuse
- Financial or material abuse
- Modern Slavery and Human Trafficking
- Neglect & Acts of Omission
- Discrimination abuse
- Organisational abuse
- Self-Neglect
- Deprivation Of Liberty

3. Standards

(a)CHEXS staff and contractors are required to:

- Where appropriate and required by regulations have a Disclosure and Barring Service (DBS) check when they commence employment. Where this has not been undertaken staff will not be allowed to work with adults unless supervised by a member of staff who has had a clear DBS check.
- Demonstrate respect for all service users as individuals in all matters.
- Reflect on their own approach and style, recognising the inherent power their position bestows.

- Undertake relevant training in safeguarding, disclosure and diversity matters. Ask a senior member of staff if they have any uncertainties about how to deal with a specific service user.
- Ensure that all service users experience a suitable and supportive environment to encourage service user disclosure of any issues which might affect the way in which they should be treated.
- Ensure all service users are aware of our Equality and Diversity policy and that they know how to complain if they become victims of harassment bullying, unfair treatment or harassment.
- Ensure a diverse range of services and training that is sensitive to difference.
- Invite and encourage constructive feedback from service users about standards and styles of behaviour and promote an open and honest culture of respect for diversity.
- Deal with complaints of abuse, unfair treatment or harassment and bullying promptly, sensitively, confidentially and in accordance with procedures
- Ensure that all persons working for or providing services to CHEXS are provided with a briefing on these safeguarding policies and procedures before any work is undertaken or any services delivered.
- Report any incidents immediately to any relevant partners or commissioners.

(b) Service users are required to:

- Help prevent inappropriate behaviour by challenging and reporting behaviour that appears to be causing distress to others.
- Support an open, constructive environment within which diversity is valued positively.

(c) Dealing with claims of abuse perpetrated by internal members of staff

This Policy makes it clear how staff are expected to perform when dealing with all service users including adults at risk. It specifically ensures that claims made of abuse by internal staff will be investigated and dealt with.

Safeguarding Procedure

1. First steps

If you think abuse has or may have occurred act immediately. It is the responsibility of the person first becoming aware of a situation where there may be an adult subject to, or at risk of, abuse to make safe and deal with the immediate needs of the person. This may mean taking reasonable steps to ensure the adult is in no immediate danger and seeking medical treatment if required as a matter of urgency.

Do NOT discuss the allegation of abuse with the alleged perpetrator.

Do NOT disturb or destroy articles that could be used in evidence. Where an assault of some kind is suspected do not wash or bathe the person unless this is associated with first aid treatment necessary to prevent further harm.

Do NOT discuss concerns or disclosures with other members of staff other than the safeguarding lead.

If the allegation is about a staff member or volunteer of any organisation, ensure that the allegation is properly managed. Tell your safeguarding lead or CEO if your safeguarding lead is unavailable or is implicated in the allegation.

Contact the police if it is thought a crime has just been committed. Telephone 101 or 999 if an emergency

Record details of the allegation as soon as possible somewhere that can be kept secure. Include :

- a) the allegation or concerns, including the date and time of the incident,
- b) what the adult at risk said about the abuse and how it occurred or what has been reported to you.
- c) The appearance and behaviour of the victim.
- d) Any injuries observed.
- e) Whether any dependants are also at risk

If the allegation is against a member of staff a volunteer or a service user of CHEXS

CHEXS will ensure that any allegations made against members or a member of staff will be dealt with swiftly and in accordance with these procedures:

* The worker must ensure that the vulnerable adult is safe and away from the person against whom the allegation is made.

- * The named person for safeguarding should be informed immediately.
- * In the case of an allegation involving the named person, alternative arrangements should be sought to ensure that the matter is dealt with by an independent person. (Note: this could be a Trustee, CEO or anyone within the organisation that is in a senior position within the organisation and believed to be independent of the allegations being made).
- * The named person should contact the local authority social services team for advice on how to proceed with the immediate situation. Outside of working hours the Emergency Duty Team can give advice and/or in the event of an emergency situation arising, the police.
- * The individual who first received/witnessed the concern should make a full written record of what was seen, heard and/or told as soon as possible after observing the incident/receiving the report. It is important that the report is an accurate description. The named person (if appropriate) can support the worker during this process but must not complete the report for the worker. This report must be made available on request from either the police and/or social services.
- * Regardless of whether a police and/or social services investigation follows, CHEXS will ensure that an internal investigation takes place and consideration is given to the operation of disciplinary procedures. This may involve an immediate suspension and/or ultimate dismissal dependant on the nature of the incident.
- * CHEXS will also inform the Charity Commission and report this as a serious incident even if this is an allegation or suspicion as soon as is reasonably possible. This report will outline how the trustees will investigate this and actions taken to prevent this from reoccurring.
- * Whistle blowing will not prejudice the position or prospects of CHEXS staff or volunteers

2. Bring the concern to the attention of your Safeguarding Lead

It is the responsibility of the Safeguarding Lead to:

1. Decide without delay on the most appropriate course of action once the allegation or suspicion of abuse has been raised.
2. Deal with any immediate needs:
 - a) Ensure that the victim of the alleged abuse is safe
 - b) Ensure that any necessary emergency medical treatment is arranged
 - c) Ensure that no forensic evidence is lost
 - d) If the alleged perpetrator is also an adult at risk, ensure that another member of staff/manager is allocated to attend to their needs and ensure that other service users are not put at risk.
3. Clarify the facts stated by the member of staff but do NOT in any circumstances discuss the allegation of abuse with the alleged perpetrator or, if possible, the victim.

4. Check that the circumstances fall within the safeguarding adults procedure i.e. meeting the definition of abuse as defined in this Policy and Procedure.
5. Address issues of consent and confidentiality, taking care to not promise confidentiality
6. A formal referral must be made on the same day as the alert is raised when:
 - a crime has been, could have been, or yet could be committed.
 - There is a suspicion that an abuse has taken place.
 - The allegation involves a child
 - The alleged perpetrator is themselves an adult at risk.
 - They are unsure if abuse has taken place
7. Where a decision is made NOT to refer, the alert must be recorded, with the reasons for the decision not to refer.
8. All incidents, allegations of abuse and complaints must be recorded , monitored and available for internal and external audit.
